© Jan van Wissen 1992

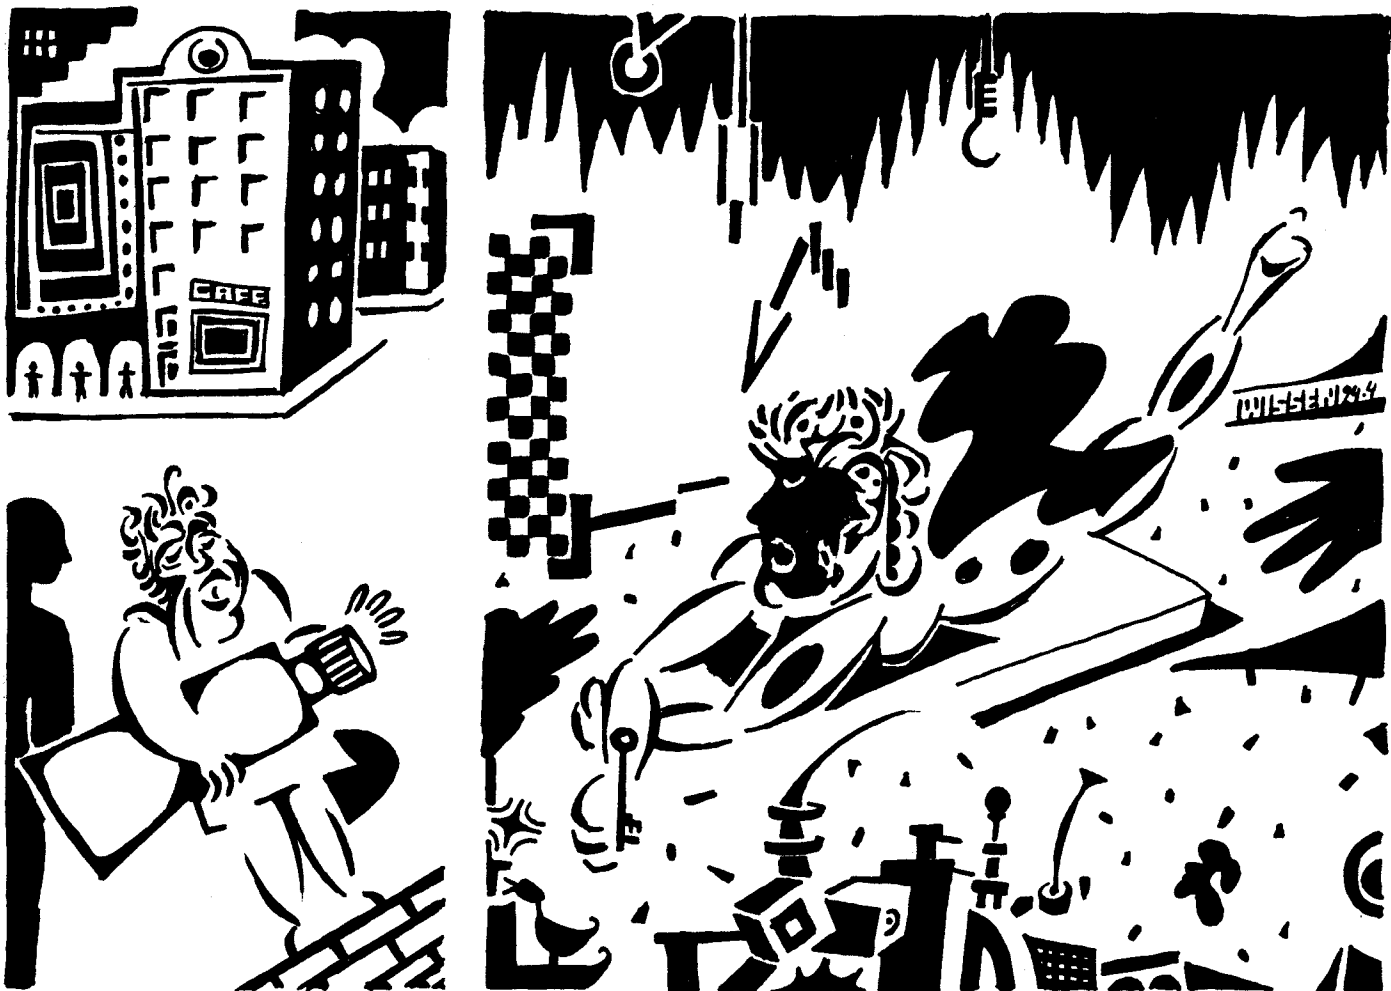

Deze tekeningen zijn door mij gemaakt en uitgegeven in eigen beheer in 1992 als gefotokopieerd boekje met zwarte ringband in een oplage van 50 exemplaren. Ik heb ze onlangs gedigitaliseerd en dat vroeg om een nieuwe uitgave. Vandaar.

These drawings were made and published by me in 1992  
as a photo-copied booklet with black ring binder in an edition of 50 copies.  
I recently digitized them and that demanded a new edition. Hence.
